

## Elks Tradition for over 100 years

**Hoop Shoot** - More than three million kids participate each year in this free-throw contest.

**College Scholarships** - On a national level as well as in our own community, Elks give more than any other private organization in the US.

**Drug Awareness** - Since 1983 Elks across the country have distributed over 200 million pieces of literature, free of charge to school children, their teachers, and parents.

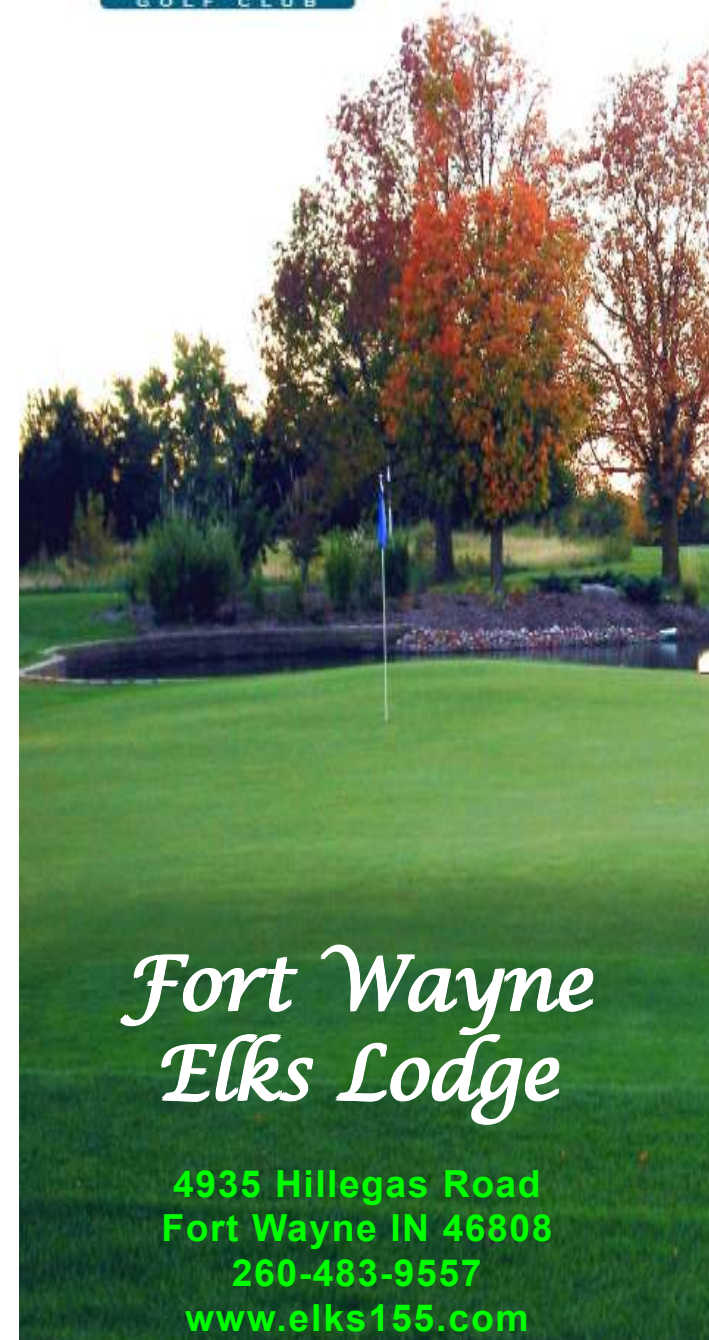

**Helping Veterans** - Elks contribute over \$18 million each year to programs to help vets in medical centers, outpatient clinics and State Veterans' Homes.

**Cancer Research** - Indiana Elks have given over \$6.7 million to IU and Purdue Medical Research to fund start up projects to find a cure for cancer.

### Community Partnership
